

PILOT DECLARATION

Thank you for offering to help us run this Scout air activity. The Scout Association has its own minimum requirements for pilots offering their time and aircraft to fly members of the Association at such events. (These are contained in the Scout Association document known as Policy, Organisation and Rules at Section 9.16 and a copy can be provided on request). These Rules are summarised below and we would ask that you review them, complete the details and delete the answer which does not apply in each case.

This form is required to be completed, signed as valid on the day(s) of the activity/event and passed to the Scout representative by all pilots PRIOR to them undertaking any Scout Air activity flights.
